Subject: RE: EnviroSAFE of Ohio OHD045243706--CERCLA approval needed

EnviroSAFE Services of Ohio in Oregon, OH (OHD 045 243 706) is currently acceptable to receive waste regulated by the CERCLA Off-site Rule. This facility was inspected 12/11/17.

Please note that this status does not affect the list of wastes the facility is permitted to receive under their various permits. It is still the responsibility of the waste generator to make sure a facility is permitted to receive all of the waste streams being shipped to the receiving facility(ies).

For record-keeping purposes, if one is available and you haven't already provided it, please provide the sending Superfund site ID number.
